Michael Petrone, director, AAA Tourism Information Development

Michael Petrone joined AAA in April of 1992 and has 37 years of experience working in association with the Hospitality Industry. As director of AAA's Tourism Information Development department, Michael leads a professional staff of inspectors who work on an international basis to develop travel information including the prominent AAA Approval and Diamond Rating Process as part of AAA Publishing. He has worked previously as a chef, food consultant and stylist for 22 years holding various prestigious positions and is an accredited Executive Chef by the American Culinary Federation Educational Institute.
