ROADS AND BRIDGES SURVEY

Question R2 -- Very important Summary

Congress will soon be taking up the issue of funding improvements to the nation's transportation system, which includes our roads and bridges. Please tell me how you feel about each of the following ways of improving our transportation system, using a 5-point scale, where 5 is 'very important' and 1 is 'not important at all.'

Question R2E

Congress will soon be taking up the issue of funding improvements to the nation's transportation system, which includes our roads and bridges. Please tell me how you feel about each of the following ways of improving our transportation system, using a 5-point scale, where 5 is 'very important' and 1 is 'not important at all.'

E. Expanding public and shared transportation, such as buses, commuter rail and support for car-pooling
