Your Vacation Dreams — Our Expertise

**Trip Canvas** is your personalized travel companion. This complimentary and customizable travel planning tool lets you dream, plan and book incredible vacations — all in one place — with access to AAA's built-in travel savings, discounts and expertise.

## Dream It

- Customize your travel preferences so you only see the types of trips that interest you (not into hiking or group excursions? No worries!)
- Compile inspiration for things like hotels, experiences, and restaurants for future trips.
- Explore pre-planned vacation packages within a selected destination or build your trip your way. The choice is yours!

## Plan It

- Find and compare hotels and restaurants that have passed a rigorous inspection by AAA Inspectors who evaluate the guest experience with objective criteria of a property's quality, cleanliness and condition. [Learn more.](#)
- Chat with a AAA travel agent in just a few clicks for additional information and tips.
- See what's trending among other travelers.

## Book It

- Book everything from your flight to hotel stays to train or concert tickets with ease.
- Discover new locations through high-quality videos and imagery.
- Easily share trip ideas with friends and family.

## And GO!

- View your destination on a map to see everything in proximity to where you're staying.
- Turn on restaurant pins to show previously saved places you've been waiting to discover.
- Explore travel tips and articles for local destinations and activities while on the go!

Trip Canvas is designed with one goal in mind — making it easier for people who are dreaming about a future trip to combine AAA's travel expertise with their travel inspiration in order to create an unforgettable trip!
